Dear (Name of CEO):

The U.S. Department of Labor, Office of Federal Contract Compliance Programs (OFCCP), has selected your company for a compliance check under 41 CFR §§ 60-1.20(a)(3), 60-300.60(a)(3), and 60-741.60(a)(3). Compliance checks are one of several investigative procedures available to OFCCP for conducting compliance evaluations. Other investigative procedures include compliance reviews, off-site reviews of records, and focused reviews.

This compliance check will focus on whether your company maintains certain employment records in accordance with the requirements of 41 CFR §§ 60-1.12, 60-300.80 and 60-741.80. The documents you provide will be used to determine whether you are in compliance with OFCCP's recordkeeping requirements. The compliance check will cover records for all of your construction projects, i.e., federal, federally assisted, and non-federal, located in the *(as appropriate insert either 1) the name(s) of Standard Metropolitan Statistical Area(s) (SMSA) or 2) the name of the Economic Area(s) (EA)* during the period of *(insert date)* through *(insert date)*.

Executive Order 11246 prohibits federal contractors and subcontractors from discriminating based on race, color, religion, sex, sexual orientation, gender identity, and national origin. It also prohibits these employers from taking adverse employment actions against applicants and employees for asking about, discussing, or sharing information about their pay or, in certain circumstances, the pay of their co-workers. Section 503 prohibits these employers from discriminating against individuals with disabilities, while VEVRAA prohibits discrimination against protected veterans.

In order to facilitate the compliance check, please submit the information specified in the enclosed Itemized Listing as soon as possible, but no later than 30 calendar days from the

Although our compliance check only consists of a brief review of records, please note that as a federal contractor or subcontractor you are required to comply with all the regulations enforced by OFCCP.
